

April 6, 1979

LB 180A, 412A, 414A

SENATOR WESELY: Mr. Speaker, I move for the advancement of LB 180A to E & R for Engrossment.

SPEAKER MARVEL: Okay, what's the status of 180A?

SENATOR WESELY: I move for its advancement.

SPEAKER MARVEL: The motion is to advance 180A. All those in favor say aye. Opposed no. The motion carried. The bill is advanced. 412A.

CLERK: Mr. President, Senator Warner moves to amend LB 412A. (Read Warner amendment as found on Page 1351 of the Legislative Journal.) That's offered by Senator Warner.

SENATOR WARNER: Mr. President, I move for the adoption of the amendment. All this does is, it's the necessary language. The appropriation that is contained in LB 585 is for the State Office of Planning and Programming, as by law does stay in existence until July...or well, June 30, 1980, and what this language does, it will clearly amend the appropriation bill to transfer...not to transfer but to reflect the passage of LB 412 if it passes, and essentially it's a technical amendment to effect the transfer within the appropriation bill.

SPEAKER MARVEL: Is there any other discussion? All those in favor of the adoption of the Warner amendment to LB 412A vote aye. Opposed no. Have you all voted? Have you all voted? Record.

CLERK: 26 ayes, 0 nays on the adoption of Senator Warner's amendment.

SPEAKER MARVEL: The motion is carried. The amendment's adopted. Senator Wesely.

SENATOR WESELY: Mr. Speaker, I move that LB 412A be advanced to E & R for Engrossment.

SPEAKER MARVEL: All in favor of that motion say aye. Opposed no. The motion carried. The bill is advanced. 414A. 414A.

SENATOR WESELY: I move that LB 414A be advanced to E & R for Engrossment.

SPEAKER MARVEL: All in favor of that motion say aye. Opposed no. The motion carried. The bill is advanced. 500A.
